REBOUH IHAB

DIGITAL PRODUCTION ENGINEERING STUDENT

ihab.rebouh@stud.th-owl.de
Rebouh.ihab.25@gmail.com

Teichstraße 20, 33615 Bielefeld

Digital Production Engineering student at TH OWL with a background in Electronic Engineering and practical experience in electronic systems maintenance and troubleshooting. Interested in gaining practical industry experience through an internship in digital production, manufacturing, automation, or related engineering fields.

PROGRAMMING LANGUAGES

- Python — Beginner
- C++ — Beginner
- MATLAB — Beginner

COMPUTER SKILLS

- Proteus
- Microprocesseur 8085
- MS Office: Excel, Word, Powerpoint
- Canva

CERTIFICATIONS

BACHELOR'S DEGREE IN ELECTRONIC ENGINEERING

SOFT SKILLS

- Communication
- Teamwork & Collaboration
- Active Listening
- Creativity
- Motivation

ACADEMIC PROJECT & RELEVANT COURSEWORK

2020-2023

BACHELOR'S DEGREE IN ELECTRONIC ENGINEERING

- Design and Development of a Microprocessor-Based Motion Detection System

Relevant Coursework:

- Local Computer Networks
- Drives and Control Systems
- Sensors and Instrumentation
- Electronic Circuits and Functions
- Power Electronics

September 2025

BACHELOR OF SCIENCE IN GENERAL ENGINEERING
(Specialization: Digital Production Engineering)
Technische Hochschule Ostwestfalen-Lippe (TH OWL), Germany

01/2023 - 03/2023

PROFESSIONAL EXPERIENCE

- Diagnosed and resolved faults in electronic circuits and systems.
- Assisted with the installation and configuration of electronic equipment.

LANGUAGES

English: B2
French: B2
German: A2–B1 (currently studying B1)
